## Professional summary

Python developer with hands-on experience in building 14+ projects across GUI applications, backend tools, and web apps. Strong foundation in core Python, OOPs, file handling, and REST API integration. Familiar with Flask, HTML/CSS, and version control using Git. Experienced in using ChatGPT and AI tools for debugging and development workflows. Open to backend development or automation roles (internship/entry-level).

## Skills

**Programming:** Python (OOP, Pandas, File & Error Handling), HTML, CSS.
**Backend:** API Integration (REST/JSON)
**Database:** SQL (PostgreSQL, MySQL)
**Tools:** Git, GitHub (Copilot), VS Code.
**Debugging:** AI-assisted tools, console debugging.

**Web Scrapping**

**Soft-skills**

• Typing speed of 40 WPM, ensuring fast and efficient code writing.
• Strong time management skills with the ability to focus on tasks and deliver clean, working code under deadlines.
• Fast learner who adapts quickly to new technologies, libraries, and workflows.
• High attention to detail, ensuring proper code structure, error handling, and UI/UX consistency.

## Projects

Portfolio

| | |
|---|---|
| **Miles to Kilometers Converter** | A simple GUI app using Tkinter that converts miles to Kilometers in real time with clean layout and input handling. |
| **Quiz App** | Interactive quiz game built using Python, OOP, Tkinter, and the Trivia API with score tracking, sound effects, and visual feedback. |
| **Password Manager** | GUI-based password manager built with Tkinter and Pandas to store, update, and retrieve credentials from CSV files, with clipboard integration. |
| **Snake Game** | Classic snake game using Turtle graphics and Python OOP, organized into modular files to demonstrate clean design and logic flow. |
| **Toggle-Website** | This is a fun, animated HTML/CSS/JavaScript project that showcases interactive features |
| **Guess the States Game** | Interactive map-based U.S. states guessing game using Python, Turtle, and Pandas to visually track correct answers and progress. |

## Education

| | | |
|---|---|---|
| | Bachelor of Computer Applications (BCA) Integral University Dashauli, Lucknow, U.P. | 2022 |
| | Intermediate (PCM) Career Convent College (ISC) Vikas Nagar, Lucknow, U.P. | 2019 |
| | High School (PCM) Career Convent College (ICSE) Vikas Nagar, Lucknow, U.P. | 2017 |

## Additional information

**Open to relocate -** Yes

**Available for remote -** Yes (Gurgaon, Noida and Delhi)

**Languages -** Hindi, English
